

Late-night return logistics from Yacht Club Como (May 2026, Saturday night)

ASF Flex (on-demand bus)

Item	Evidence	Findings
Service status	<p>The updated "Flex Urbano" page on ASF Autolinee states that the on-demand Flex Urbano bus service covers all stops on urban lines N2, N7, N8 and N11. It operates Friday, Saturday and Sunday nights: from 21:10 to 01:00 (21:00 on Sundays). A footnote under the schedule notes that "Di sabato il servizio è attivo fino alle 01:30", meaning Saturday service is extended to 01:30 a.m. ¹. An earlier Espansione TV article (Oct 21 2025) confirms that ASF extended the service to 01:30 on Saturday nights from 24 October 2025 due to high demand ².</p>	<p>ASF Flex remains active on Saturday nights in 2026, operating from 21:10 until 01:30 a.m. (extended beyond the regular 01:00 finish).</p>
Official landing page	<p>The Italian language page https://www.asfautolinee.it/asf-flex-urbano/ provides the current description, service times and pricing. (A prior English-language page "/asf-flex-urbano/" also exists but does not mention the 01:30 extension ³; the Italian page appears to replace this.)</p>	<p>Use the Italian landing page above; the old /it/flex-urbano page is now superseded.</p>
Booking method & hours	<p>ASF's FAQ explains that rides must be booked via the ASF Flex app or the call-centre. Bookings open 7 days in advance and close 1 hour before departure ⁴. Reservations via the app can be made at any time, while the call-centre at 031 247 111 operates Monday-Thursday 08:30-18:00 and Friday 08:30-17:00 ⁵. The service is suspended on 15 Aug, 25 Dec and 1 Jan ⁶.</p>	<p>Users must book via the ASF Flex app or call 031 247 111. Bookings are possible up to seven days ahead and not later than one hour before departure; the call-centre is only open on weekday business hours.</p>
Cost per ride	<p>The Flex Urbano page lists the ticket price: non-season-ticket users pay €2.50 per journey ⁷; season-ticket holders and holders of Io Viaggio passes travel free during the trial period ⁸. The FAQ clarifies that the fare is payable directly on board by cash or credit card ⁹.</p>	<p>€2.50 per ride (free for subscribers); payment on board via cash or card.</p>

Item	Evidence	Findings
App download links	<p>The Google Play listing for “ASF FLEX” (Via Transportation Inc.) explains that the app lets users book on-demand trips within service hours and pay on board; the listing was updated 4 Feb 2026 ¹⁰.</p> <p>The Apple App Store listing (version 4.26.3 on 30 Jan 2026) describes similar functionality (book rides within service hours, choose pick-up/drop-off stops and pay on board) ¹¹.</p>	<p>Google Play: play.google.com/store/apps/details?id=co.app.asf.flex ¹⁰ • Apple App Store: apps.apple.com/co/app/asf-flex ¹¹</p>
Summary	<p>ASF Flex remains the key late-night public transport option for leaving central Como. It must be booked via the app or call-centre and currently runs until 01:30 a.m. on Saturdays, covering all ASF stops on lines N2/N7/N8/N11. The cost per ride is €2.50, and bookings are allowed from 7 days until 1 hour before departure.</p>	

Trenord S11 (Como San Giovanni → Como Camerlata)

Item	Evidence	Findings
Official S11 page (Trenord)	<p>The Trenord S11 line page states that the first train from Como leaves at 06:20 a.m. and the last train leaves at 00:11 a.m. ¹². This indicates that a train is scheduled around 00:11 (train 25086) from Como San Giovanni towards Milan/Chiasso.</p>	<p>Trenord reports a 00:11 departure from Como, but the statement does not specify all intermediate stops.</p>
PDF timetable (Dec 2025)	<p>Trenord's S11 timetable PDF shows late-night times around 23:46-00:17 and footnotes about runs only on certain days ¹³, but the schedule is complex and indicates that some late trains run only on weekdays or holidays.</p>	<p>The PDF suggests that late-night trains exist, but special notes show they may not run on Saturdays or may be replaced by buses.</p>
SBB timetable (May 2026)	<p>Using the Swiss Federal Railways (SBB) journey planner for Saturday 16 May 2026, the last departures from Como San Giovanni to Como Camerlata were at 22:50 and 23:20 (both S11 trains to Milano P. Garibaldi) with a 4-minute journey; after the 23:20 train there were no trains until 04:36 the next morning ¹⁴.</p>	<p>On Saturday nights in May 2026, the last S11 service stopping at Como Camerlata departs at 23:20. There is no 00:11 departure for this station on Saturdays; later services either do not stop at Camerlata or are replaced by buses.</p>

Item	Evidence	Findings
Conclusion	<p>While Trenord advertises a 00:11 train from Como, practical journey planners show that 23:20 is the last departure from Como San Giovanni to Como Camerlata on Saturday nights. Travellers needing to return to Camerlata after midnight should not rely on a train and should instead use ASF Flex or taxis.</p>	

Taxi infrastructure (Radio Taxi Como)

Item	Evidence	Findings
Phone number & availability	<p>Radio Taxi Como's "Info varie" page instructs travellers to call 031 261515 or use the InTaxi app; it states that the service covers the entire Como area 24 hours a day, 365 days a year ¹⁵. The pre-booking page explains that bookings are inserted into the dispatch system and confirmation depends on availability; a confirmation SMS or verbal notice is sent ¹⁶.</p>	<p>Primary contact: 031 261515, available 24/7. Users can also book via the InTaxi app. When pre-booking, callers must provide date, time, vehicle requirements and pickup/drop-off addresses; confirmation is not guaranteed.</p>
App	<p>The InTaxi app is promoted on the Radio Taxi Como site. The Apple App Store description lists "Taxi Como 031261515" among the partner radiotaxi services and highlights features such as one-click booking, selection of vehicle type (sedan/minivan), real-time tracking and payment by credit card ¹⁷. The Google Play listing for InTaxi – Travel by taxi in Italy notes similar features and emphasises that there is a 24/7 call centre ¹⁸.</p>	<p>App: InTaxi – available on both Android and iOS. It allows booking, choice of vehicle, real-time tracking and payment by card. The call-centre remains available 24 hours for assistance.</p>

Item	Evidence	Findings
Tariffs, surcharges & group protocols	A March 28 2024 article from Espansione TV reports that Como's municipality approved new taxi tariffs effective April 2024: the starting fare for weekday daytime (06:00-20:30) is €5 , the holiday daytime start fare is €7.50 and the night/holiday start fare (20:30-06:00) rises from €7 to €7.50 ¹⁹ . The per-kilometre rate increases from €1.00 to €1.15 and the hourly waiting rate is €35 ²⁰ . Baggage is €1 per piece (max 5) and there is a 20 % surcharge for groups of five to eight passengers ²¹ . The regulation also grants 10 % discounts** to single women or women with children travelling at night and to passengers with disabilities ²² .	Current tariffs (as of 2026): start fare €5 (weekday daytime) or €7.50 (night/holiday); €1.15/km; €35/hour waiting; €1 per luggage (up to five); 20 % surcharge for groups of 5-8 ; 10 % discount for women travelling alone or with children during night hours (20:30-06:00) and for people with disabilities. No evidence of seasonal surcharges specific to May 2026.
Summary	Radio Taxi Como offers a 24/7 taxi service reachable via 031 261515 or through the InTaxi app. The 2024 municipal tariff update (still valid in 2026) introduced moderate increases and a 20 % group surcharge for five-to-eight-passenger rides, while also adding discounts for women and disabled passengers. There is no evidence of additional seasonal surcharges or special booking requirements beyond providing ride details when pre-booking.	

Overall guidance for returning to the satellite towns after midnight

1. **Use ASF Flex when possible:** book your ride via the **ASF Flex app** or call 031 247 111 up to 7 days in advance and at least one hour before departure. The service operates **21:10-01:30 on Saturdays**, serves all stops on lines N2/N7/N8/N11 and costs **€2.50 per ride** ¹. If you need to travel after 01:30, no public transport is available.
2. **Trains stop earlier:** on Saturday nights, the last S11 train from **Como San Giovanni** to **Como Camerlata** departs at **23:20** ¹⁴. There is no 00:11 departure stopping at Camerlata on Saturdays, so do not rely on train service after 23:20.
3. **Taxis for late-night journeys:** Radio Taxi Como's fleet operates **24/7**. Call **031 261515** or book via **InTaxi**. Expect a night start fare of about **€7.50**, a **€1.15/km** metered rate, and a **20 % surcharge for groups of five to eight passengers** ²³. Provide details when booking (date, time, number of passengers and baggage).

These verified sources should help plan a safe and reliable trip from the Yacht Club Como back to Camerlata, Tavernola, Grandate or Lipomo on a Saturday night in May 2026.
